The application has been amended as follows:

controlling the PTO to be in an off state, after a clutch and PTO switch are sensed to be ON, and the vehicle speed satisfies a condition which turns the PTO off, and including the remaining controls and structures of claims 1 and 2, respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
